

## **YOUR PREFERRED DISTRIBUTION PARTNER FOR COATINGS & ADHESIVES**

De Monchy International has an experienced Coatings & Adhesives team which is responsible for the distribution of raw materials with a high added value. Our many years of expertise in logistics enable us to supply our customers across Europe on time, in full.

## **YOUR PARTNER FOR TECHNICAL SUPPORT**

Our technical background and experience mean we can advise our customers about the technical aspects of product formulations. Additionally, we ensure compliance with all legislation and regulations. We always want to share our knowledge of resins, hardeners and additives.

## **MARKET ADVICE**

We analyse the market together with renowned producers such as NANYA, Braskem and KOLON. This enables us to advise on developments and trends in the market. Biobased and renewable raw materials are good examples of this. We also work with independent development laboratories and centres of expertise.
